Nace una madre : Del vínculo a la relación (Spanish Edition) Dominique Guyomard

El estudio de Dominique que traducimos y publicamos aquí da cuenta del trabajo que la ha conducido a transmitir su experiencia de escucha, de palabra y de pensamiento sobre las vicisitudes del devenir-mujer. El espacio transferencial donde esa experiencia ha tenido lugar es el marco a partir del cual ella ha interrogado las condiciones "primarias" de la subjetivación, cuya matriz fundamental concierne al vínculo, luego la relación, entre madre e hija.
