The Brightwork Companion : Tried-and-True Methods and Strongly Held Opinions in Thirteen and One-Half Chapters Rebecca Wittman

A hands-on handbook for the do-it-yourself refinisher

From the author of the revered classic *Brightwork: The Art of Finishing Wood* comes this lifeline for the weekend warrior with a brush, a can of varnish, and two days to show results. As elegantly written, photographed, and color printed as its predecessor, *The Brightwork Companion* provides a stripped-to-the-essentials, topicby- topic presentation of procedures, bulleted lists, and summary tables.

Rebecca Wittman helps readers evaluate the condition of their boats' wooden elements and provides easy-to-read, two-page spreads that minimize page turning with varnish-coated fingers. This completely practical guide makes every brightwork project easier with:

- Step-by-step procedures for bleaching, sanding, stripping, oiling, varnishing, and more
- Carefully designed lists, tables, and index for ease of use and reference
- Beautiful color photos
- Refinishing instructions for spars, decks, trim, interiors, and more
