As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Father Figure can make you experience more interested to read.
