## **The Trial (Noslen Classics)** Franz Kafka

The Trial is a novel written by Franz Kafka in 1914. One of Kafka's best-known works, it tells the story of a man arrested and prosecuted by a remote, inaccessible authority, with the nature of his crime revealed to neither him nor the reader.

Like Kafka's other novels, The Trial was never completed, although it does include a chapter which brings the story to an end. Because of this there are certain inconsistencies which exist within the novel, such as disparities in timing in addition to other discontinuities in narration. After Kafka's death in 1924 his friend and literary executor Max Brod edited the text for publication by Verlag Die Schmiede.

The original manuscript is held at the Museum of Modern Literature, Marbach am Neckar, Germany. In 1999, the book was listed in Le Monde's 100 Books of the Century and as No. 2 of the Best German Novels of the Twentieth Century.
