When God Created The Heavens and The Earth is the account of God's creation written for young children, preschool and up. It is based on Genesis Chapter One, and presented in an interesting child-friendly story format they can easily understand. A reading level of the text comfortable for children enables young readers to begin reading and enjoying it for themselves. The book is comprised of 43 beautiful color photographs, each one portraying the majesty and glory of God's breathtaking creation handiwork...the manifest expression of His Eternal Power and Divine nature! [All photos are full color 8 x 10 inch high quality nature photographs, printed on 36 lb. Premium Gloss 8.5 x 11.0 inch stock]. The story unfolds with the text inscribed on photo after photo, each thought taken sequentially from the Biblical account presented in Genesis. It is delicately amplified to present clearly to a child's mind God's purposes in creation, and especially His purposes in creating Human Life. God created Humankind for Himself, Divinely crafted with the capability and capacity to be joined together with Him in a Sacred Covenant relationship. The foundational principles of Human life were set forth by God in His Divine institutions of marriage, family, and God-ordained physical gender at birth. Children are a precious gift given to us from God, created in His Own image and likeness, and fashioned after our own image and likeness. The fruit of the womb is His gracious heritage! How blessed we are as parents whose household is filled with them! When God Created The Heavens and The Earth provides the foundation our children need for the formation of Biblical moral and spiritual values in their young lives. We can no longer remain careless, complacent, and indifferent toward the significance of the present and relentlessly escalating evil in our Nation. There is an urgency here! If we lose this generation, we will have lost it all for all future generations!
