## **Cloned Lives** Pamela Sargent

The famous astrophysicist Paul Swenson creates five perfect clones in his own image. The Swenson clones are the targets of criticism, hostility and abuse from a frightened public that does not understand their strange existence. However, they must survive, for Paul Swenson has cloned them in order to accomplish an important task. This is the story of their loves and battles, triumphs and terrors, as they struggle to save their futures and the collective destiny they were created for...
