Strategic Preaching: The Role of the Pulpit in Pastoral Leadership Dr. William Hull

Hull challenges pastors and church leaders to follow a new paradigm in pastoral ministry—one that utilized pulpit ministry to achieve the strategic goals of the church by challenging the congregation to move towards God's calling. Combining studies in Bible, homiletics, secular leadership, and church leadership, this book enters a complex field and creates a challenging call to preachers to unify their tasks as ministers and as strategic church leaders. Out of his experience as a pastor, seminary professor, administrator, and workshop leader, Hull cites personal case studies to show how preaching can nudge a church to achieve the courageous goals its strategic planners have set out.
