**War Crimes: The Left's Campaign to Destroy Our Military and Lose the War on Terror** Robert "Buzz" Patterson

In *War Crimes*, Lieutenant Colonel Robert “Buzz” Patterson (USAF, Ret.) lays bare the Left’s campaign against their own nation’s armed forces—in the media, on campuses, in popular culture, in Washington, and elsewhere, revealing:

- The roots of liberal enmity toward our military
- The five liberal lies about the war on terror
- How the mainstream media, Hollywood, and academia perpetuate these myths
- How liberal politicians engage in seditious acts for political gain, and what the costs of these acts are
- How America can and must defeat the liberal assault on America’s ability to defend itself against its enemies

Interviews with hundreds of soldiers, sailors, and airmen—including many on the ground in Iraq—reveal the alarming degree to which their burden is increased by second-guessing, pessimism, and outright revulsion for their mission on the part of the people they are fighting for. Studded with shocking quotations and astonishing actions from members of the Left, *War Crimes* is an eye-opening indictment of the true motivations and agenda of the American Left.
