Every man and every woman has the ability to discover personal greatness. More and more "Average Joes" are attempting the triathlon race and the world's most intense endurance challenge - the Ironman Triathlon. Blue-Collar Ironman is written by two athletes who through their own experiences clear the path to the finish line for other typical competitors like themselves. Blue-Collar Ironman is written for a person interested in getting an edge in training and accomplishing not only a triathlon but the Ironman distance triathlon. Unlike sophisticated educational material written by super freak athletes, Blue-Collar Ironman is focused on the competitor who has the heart and soul to compete against themselves in accomplishing this challenge.
