Angry at missing a week of summer video game entertainment, Jesse, a twelve-year-old boy of European/Native American descent, grudgingly follows through with his deceased father's request that he join his Uncle Matthew and cousin Jason at Six Islands, on Georgian Bay, for a special camping trip. Uncle Matthew explains that Jesse's father wanted Jason's vision quest to be his introduction to their native culture. During their first night around the camp-fire, it is Jesse who has a vision, and the adventure begins. Not only is he swept back in time four hundred years, but he is transformed into a majestic, white-tailed deer. He must now survive the expert hunting skills of his ancestors while somehow rescuing his people before they are destroyed by warfare.
