“The Furies make pleasingly vicious villains” (*Kirkus Reviews*) in this second book of a chilling paranormal trilogy where revenge rules the day—and “sorry” isn’t going to cut it.

Spring is coming, and the ice is slowly melting in Ascension...revealing the secrets buried beneath.

Emily Winters knows the Furies have roots in Ascension, Maine—but she’s about to discover that they’re deeper than she ever imagined. With the help of her new friend Drea, she vows to dig them out. But it’s hard to focus when she’s desperate to make up with JD, and to figure out why Crow, a mysterious Ascension High dropout, seems to be shadowing her.

Meanwhile, new girl Skylar McVoy is determined to leave her own dark past behind. So she’s thrilled when popular Gabby takes her under her wing, and the stunning and sophisticated Meg offers to give her a major makeover. But everyone knows what happens to the vainest girl of all...

It’s tempting to be naughty. But beware: the Furies are always watching, and their power grows stronger by the day.
