Goddesses explores the ancient wisdom of the goddesses to help you reconnect with the old ways in a modern context. The goddesses are presented in their elements, in their heavenly bodies, or as symbols of the journey of life to give support, provoke us to explore new ideas and challenges, and to bring balance to our lives. The folklore, myth, and traditional associations of the goddesses will inspire you on your journey. Pele, the Hawaiian goddess of the volcano, demonstrates that volatile fire energy is life-giving and creative but needs to have focus. Water goddesses such as Isis, Sedna, and Yemaya offer us wisdom in times of stress and grief. They help us flow in the right direction and remind us that water supports us. The sun goddesses lead us through our feelings as well as our intellect to our divine spark—the sun within us. If our lives are stormy, we can take comfort from the story of the sun goddess, Ama-terasu-o-mi-kami, and find peace within ourselves. Cerridwen, the Celtic goddess of poetry, is a source of wisdom, inspiration, and creativity. The reflections, meditations, rituals, chants, and exercises in this book will help you bring about the changes you wish for in your life. Some of the exercises are for you to undertake alone; others you can share with friends, family, and children. Let the goddesses guide and inspire you!
