**Messages from Margaret: Down-to-Earth Angelic Advice for the World...and You** Gerry Gavin

When the first supernatural occurrences began, **Gerry Gavin** was, to say the least, skeptical. But as the messages from otherworldly beings grew stronger, he grew to accept and reach out to them. When he came into contact with his guardian angel, Margaret, he discovered he could communicate with her through writing letters. Their correspondence began by focusing on personal guidance, but soon expanded to assisting anyone who came to Gerry for her sage wisdom.

In *Messages from Margaret*, Gerry brings her message to the world, taking readers on a journey from the beginning of creation to the current day, delving into why this is such a special moment in history and explaining how we all have the power to change the world. Controversial issues are addressed, and common myths debunked, with simple explanations and easy-to-understand language. This book will resonate with readers long after putting it down, and change the way we think about our everyday lives.
