## **Targum Pseudo-Jonathan: Deuteronomy (Aramaic Bible, Vol. 5B)**

This volume on Deuteronomy represents the last volume of the Pentateuch in the Pseudo-Jonathan series. It includes the translation and notes of Pseudo-Jonathan of Deuteronomy as well a complete index. Many of the methods of translation unique to Pseudo-Jonathan noted in the Genesis, Exodus, Leviticus, and Numbers volumes are also found in Deuteronomy. The editors of *Targum Pseudo-Jonathan: Deuteronomy* used a creative literary style that resulted in a text with a character independent of the other volumes. The question of when, where, and by whom the targum was composed is unanswerable. The present text of Pseudo-Jonathan is the result of much editing, reediting, copying, and recopying of the original" manuscript. The only certain fact is the 16th-century date of the present manuscript.

Those interested in the Aramaic tradition of biblical interpretation, and students of Jewish studies will find *Targum Pseudo-Jonathan: Deuteronomy* an invaluable resource."
