## Wayward Pines: Nomad (Kindle Worlds Novella) Robert Swartwood

Like other nomads before him, Tobias has left Wayward Pines. With only the clothes on his back and a few meager supplies, he's headed west on a mission of supreme importance.

And danger!

The abbies, millions of them, are all around the lonely seeker. A false move, one broken branch, a moan not stifled, and the monstrous reminders of a world gone horribly wrong will surround and devour Tobias. The nomad knows his life is in constant danger. What he doesn't know and will soon come to understand is that outside of the safe haven of Wayward Pines there are other things more dangerous than abbies.

And worse than death!

Robert Swartwood's *Nomad* is another compelling chapter in the harrowing, bestselling Wayward Pines series.
