Love the idea of growing your own fruits, flowers, and vegetables but don't think you have the space? Don't worry, let Fine Gardening, America's most respected gardening magazine, show you how to make your small space work for you and your plants. This inspiring new book from the editors of Fine Gardening magazine shares the most popular design ideas and easy planting solutions for creating gardens with less dirt and less square footage than you ever imagined. From high yielding, small-space vegetable gardens to decorative small spaces that appear larger than they are by making the best use of the landscape, this primer is full of design ideas—it even contains lists of suggested plants. Fine Gardening Pocket Gardens is packed with eye-catching small garden designs, advice on choosing the best plants for your space and locale, and strategies for keeping plants healthy and lush in cramped environments.
