Life During Wartime: Resisting Counterinsurgency

Life During Wartime: Resisting Counterinsurgency

"Together, the writers sound a sobering warning: the American government is an iron fist in a velvet glove whose purpose remains preserving the status quo and enriching the rich."— *Publishers Weekly*

What happens when the techniques of counterinsurgency, developed to squash small skirmishes and guerrilla wars on the border of Empire, blend into the state's apparatus for domestic policing? In *Life During Wartime*, fifteen authors and activists reflect on the American domestic security apparatus, detailing the increasing militarization of the police force and the re-emergence of infiltration and counter-intelligence as surveillance strategies, highlighting the ways that the techniques and the technologies of counterinsurgency have been applied on the home front, and offering strategies for resistance.

Includes contributions Kristian Williams, Will Munger, Walidah Imarisha, George Ciccariello-Maher, Beriah Empie, Elaine Brown, Geoffrey Boyce, Conor Cash, Vicente L. Rafael, Alexander Reid Ross, Evan Tucker, Layne Mullett, Sarah Small, and Luce Guillen-Givins.
