**There's something highly satisfying about chucking all the ingredients into one pot and leaving them to meld into something full of flavour! One pot, skillet or dish is all you'll need to make easy dinner recipes**

This cookbook contains 45 of the tastiest one pot recipes that you can make in your own kitchen. These dinner recipes include pasta, soups, chicken, pork, beef and vegetarian dishes. What makes these recipes unique is that they are all cooked using the one pot method, which promotes stress-free cooking and easier cleaning. One pot cooking is a simpler and mess-free way of creating flavorful dinners for the family. The principle of one pot meals is simple: cut up your favorite vegetables, meats and fruits and gradually place them together in a single pot, pan, skillet or slow cooker. Season the dish with herbs and spices then leave it to cook on its own. This simple method creates delectable dishes that delight the senses and promotes lesser cleaning up activities in the kitchen. Apart from delicious recipes, this book also contains the benefits of one pot cooking as well as essential tips that will help make this cooking method more efficient and sustainable. This book aims to help home chefs incorporate one pot cooking into their daily lives so that whipping up hearty and healthy dinners becomes a more delightful experience.
