**Secrets & Deceptions: A Three Generation Mystery** Helene F Uhlfelder PhD

*Secrets & Deceptions* tells a **rich and emotional story of three generations of women** and the men in their lives. Beginning in Germany just before WWII and ending in the 21st century, the novel recounts **tales of success and defeat, love and rejection, and life and death**. The family of Hannah, Sophie, and Madeleine, the three generations of women, is the focus of this **entertaining and compelling book** which also recounts **the horrors of Nazi Germany and its horrific impact on survivors and their families**.

Helene had always been drawn to women like Anais Nin and Erica Jong who wrote unabashedly about the **sexual mores** of their generations. *Secrets & Deceptions* explores sexuality and the mores of each generation and provides a vehicle for describing the emotional trauma inflicted upon women of those times. The book explores **how women have evolved and how their role in society has changed in that societal mores no longer control women's behavior** as they did fifty to one hundred years ago.
