The Country Wife and Other Plays (Oxford World's Classics)

William Wycherley, Peter Dixon

The Country Wife and Other Plays (Oxford World's Classics) William Wycherley, Peter Dixon

Wycherley's four comedies are admired for their satirical wit, farcical humour, vivid characterization, and social criticism. *Love in a Wood*, a lively comedy of intrigue, established him as a brilliant new dramatist. *The Gentleman Dancing-Master*, in contrast, disappointed contemporary audiences, but the central relationship between Hippolyta and Gerrard features an original and sympathetic study of a young woman's attitudes and feelings. The

Country Wife is a sharp but also highly amusing attack on social and sexual hypocrisy. *The Plain Dealer*, a powerful dramatic satire loosely based on Moliere's *Le Misanthrope*, continues and enlarges Wycherley's assault on greed and corruption.

Under the General Editorship of Michael Cordner of the University of York, the texts of the plays have been newly edited and are presented with modernized spelling and punctuation. In addition, there is a scholarly introduction, a note on staging, and detailed annotation.

ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
