## **The Very Best of Barry N. Malzberg** Barry N. Malzberg

For nearly half a century, Barry N. Malzberg has been stretching the boundaries of the science fiction and fantasy genres to tell truly entertaining tales. In a collection of fiction that Malzberg himself considers his very best, this anthology showcases a literary career spanning almost 50 years, dozens of novels, hundreds of stories, and countless classic books. Each of the 32 stories in this compilation offers Malzberg's trademark vision of a future that is equal parts cautionary tale and social commentary. In the fictional world depicted in one story, dreams turn into frightening trips through time to reveal an ultimate horror; in another the rules in a war game change with every flip of the manic military command. Including pieces appearing for the first time in book form alongside rediscovered gems, these hand-picked selections exhibit his versatile imagination and the dark humor so characteristic of his work.
