Nearly half of adults, including parents of middle-school students, have never heard of the Common Core State Standards, let alone have a working knowledge of what exactly their children face when it comes to middle-school math. Even teachers acknowledge struggling with how best to teach their students these math standards.

CliffsNotes comes to the rescue with this Grade 7 Common Core Math Review. Aligned to the state standards, this book provides essential coverage of the Grade 7 CCSS math that's challenging middle-school students, teachers, and parents alike.

The material covers all of the math standards that comprise Grade 7 CCSS math:

- Ratios and proportional relationships
- The number system
- Geometry
- Expressions and equations
- Statistics and probability

Two practice tests round out the book, plus every review chapter includes example problems.
