## La república patriota (Spanish Edition) Esteban De Gori

Este libro presenta una biografía política atravesada por las tensiones y por la dramaticidad que supone la lucha por el poder y su consolidación. Pero también, por las contradicciones, memorias y vocabularios que se suscitaron en las últimas décadas del Virreinato del Río de la Plata y que fueron atravesando de diversas maneras la consolidación de las élites revolucionarias. Una biografía que proyectada en la construcción de un orden político actualizará, resignificará y articulará un conjunto de imaginarios, representaciones y vocabularios para fundamentar su intervención en la historia política y para crear nuevas realidades.
