The Music: Stories James Hamilton-Paterson

This brilliant sequence of short stories, first published in 1995, sees James Hamilton-Patterson serving up fables and fictions on creativity, tradition and loss, all of them linked by the love of music and underpinned by a musical theme. An escaped lunatic who thinks he is Schumann interrupts a quiet family picnic; a Croat refugee gifted at the guitar enters and unsettles a woman's life; and a Chinese master-teacher struggles with a pupil who would dare to modify a musical canon.

'Written in a wide range of voices... (these tales) reveal an imagination as wide-ranging as it is dazzling. Astonishingly versatile... extremely funny.' Christina Patterson, *Independent*

'Beautiful, eerie, witty, astute, dazzling.' *Observer*

'As perfect a collection of short stories as you're ever likely to come across.' Paul Sussman, *Independent on Sunday*

From reader reviews:

Carl Yeates:

Here thing why this specific The Music: Stories are different and reliable to be yours. First of all studying a book is good however it depends in the content than it which is the content is as delicious as food or not. The Music: Stories giving you information deeper including different ways, you can find any book out there but there is no guide that similar with The Music: Stories. It gives you thrill reading through journey, its open up your eyes about the thing which happened in the world which is maybe can be happened around you. You can actually bring everywhere like in park your car, café, or even in your way home by train. In case you are having difficulties in bringing the paper book maybe the form of The Music: Stories in e-book can be your option.

Shelly Gomes:

The publication untitled The Music: Stories is the guide that recommended to you to study. You can see the quality of the e-book content that will be shown to an individual. The language that publisher use to explained their way of doing something is easily to understand. The article writer was did a lot of analysis when write the book, hence the information that they share to you personally is absolutely accurate. You also might get the e-book of The Music: Stories from the publisher to make you a lot more enjoy free time.

Jeremy Robinson:

The publication with title The Music: Stories has lot of information that you can understand it. You can get a lot of gain after read this book. This particular book exist new information the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to know how the improvement of the world. This book will bring you within new era of the syndication. You can read the e-book in your smart phone, so you can read that anywhere you want.

Alita Schmidt:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Music: Stories can make you feel more interested to read.
