To Love to Betray Aldo Carotenuto

Life's betrayals both define and condemn us to re-create ourselves. Jungian analyst Aldo Carotenuto shows us the positive and fundamental role of betrayal in our growth throughout life. Betrayal visits us from the moment of birth and remains a life theme through childhood, marriage, aging, and death. It is also the foundation of the Jewish and Christian religions. Carotenuto applies the term to betray to many issues brought to psychotherapy. In psychoanalysis, many old certainties are revealed and betrayed. It is also a time when the expectations of others need to be betrayed. By heightening our consciousness of betrayal and being betrayed, this book moves us toward our true nature and wholeness.
