Clicking Floorboards is a true insight into the weird and wonderful world of Ian Wills:

Set against the backdrop of twenty-first century multicultural London, a middle-aged patriotic indigenous Briton is struggling to fulfil his dreams!

Written in the first person, Ian shares his most private reflections and brutally honest observations of the people and politics that make up his world. The first in a trilogy, this "funny and compelling novel leaves the reader wanting more".

A Social Documentary of "Modern Britain through the eyes of Ian Wills", it will make you laugh, agree, disagree, probably cry, but however it nudges your emotions you'll have read something you won't forget...

\*\*\*\*\* "A debut novel that deserves a place on the best seller list!" - Caroline Walsh. Amazon.com verified purchase.

### **From reader reviews:**

#### **Jane Cuellar:**

As people who live in the actual modest era should be update about what going on or data even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This Creaking Floorboards is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

#### **Jennifer Yost:**

This Creaking Floorboards is great publication for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This particular book reveal it data accurately using great coordinate word or we can point out no rambling sentences within it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having Creaking Floorboards in your hand like obtaining the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world within ten or fifteen small right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. active do you still doubt this?

#### **Joel Barnhardt:**

Reading a book being new life style in this year; every people loves to read a book. When you learn a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and soon. The Creaking Floorboards provide you with a new experience in looking at a book.

#### **Linda Williams:**

What is your hobby? Have you heard this question when you got students? We believe that that query was given by teacher for their students. Many kinds of hobby, All people has different hobby. And also you know that little person similar to reading or as examining become their hobby. You must know that reading is very important and also book as to be the issue. Book is important thing to increase you knowledge, except your current teacher or lecturer. You will find good news or update about something by book. Amount types of books that can you go onto be your object. One of them is niagra Creaking Floorboards.
