?? ??

Stories in this book are intended for young readers and may serve as an introduction for them to read Shakespeare. For this purpose, this book was written with Shakespeare's own language as far as possible. Even if some words and expressions were added to compile the original works into coherent stories, such words and expressions have been weighed to minimize the damage on the beautiful language effect of Shakespeare. Hence, we have done our best to avoid using the language after the time of Shakespeare.
