Victim Gayle Wilson

She has nothing left to lose

Like all clichés, this one is true at its core. Racked with grief over her son Danny's brutal death, Sarah Patterson steels herself to take revenge on his murderer. When detective Mac Donovan stops her from shooting Samuel Tate on the courthouse steps, he risks his career--and the case against Tate--to protect her.

With a serial child-killer walking free, New Orleans is taut with anticipation of his next savage crime and the police and FBI are helpless. But Tate has developed a sick fascination with Sarah Patterson--and he'll kill to keep her attention. With Mac's help, Sarah positions herself at the center of a dangerous operation designed to stop Tate for good.

Nothing can bring Danny back...but Sarah is hell-bent on ensuring no mother suffers as she has at the hands of Samuel Tate.
