Jeremiah (2008): A Commentary (The Old Testament Library)

Leslie C. Allen

Jeremiah (2008): A Commentary (The Old Testament Library) Leslie C. Allen

This book of Jeremiah offers a remarkable range of literature, including prose, poetry, homilies, oracles, and proverbs. This commentary understands the book as a work of religious literature, to be examined in its final form and yet with careful attention to the historical contexts of writing and development through which the present text took shape. Jeremiah proclaimed a message of coming judgment, because of the people's unfaithful worship, and yet also emphasized the call to know Yahweh and to live as God's faithful people. Through it all, Allen identifies a trajectory of grace, in which the proclamations of doom can be understood within the context of promises for a renewed future.

The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.
