## **Para uma ontologia do ser social 1 (Portuguese Edition)** György Lukács

György Lukács é um dos maiores expoentes do pensamento humanista do século XX e Para uma ontologia do ser social é a mais complexa sistematização filosófica de seu tempo. Considerada uma das mais importantes obras do filósofo húngaro, concebida no curso dos anos 1960, a Ontologia (como se tornou conhecida) significa o salto daquela intuída à ontologia filosoficamente fundamentada nas categorias mais essenciais que regem a vida do ser social, bem como nas estruturas da vida cotidiana dos homens.

O primeiro volume de um dos centrais projetos editoriais da Boitempo, acalentado por mais de uma década, finalmente chega às livrarias brasileiras com primorosa apresentação de José Paulo Netto e tradução direta do alemão por Mario Duayer e Nélío Schneider, acrescida da tradução de Carlos Nelson Coutinho, introdutor de Lukács no Brasil e profundo conhecedor de sua obra, baseada na edição italiana. O texto contou também com uma minuciosa revisão técnica de Ronaldo Vielmi Fortes, auxiliado por Ester Vaisman e Elcemir Paço Cunha.

### **From reader reviews:**

#### **Edward Gilbert:**

In this 21st century, people become competitive in every single way. By being competitive right now, people have to do something to make themselves survive, being in the middle of the crowded place and notice through the surrounding. One thing that at times many people have underestimated the item for a while is reading. Yeah, by reading a guide your ability to survive improves then having a chance to remain than others is high. For you personally who want to start reading any book, we give you this kind of Para uma ontologia do ser social 1 (Portuguese Edition) book as a beginner and daily reading publication. Why, because this book is greater than just a book.

#### **Carl Carrillo:**

As people who live in typically the modern era should be up-to-date about what is going on or have even knowledge to make them keep up with the era that is certainly always changing and moving ahead. Some of you maybe can update themselves by reading books. It is a good choice for you but the problems coming to anyone is you don't know what kind you should start with. #### **Caleb Jones:**

Typically the book Para uma ontologia do ser social 1 (Portuguese Edition) will bring you to the new experience of reading a book. The author's style to clarify the idea is very unique. In the event you try to find a new book to read, this book is very ideal to you. The book Para uma ontologia do ser social 1 (Portuguese Edition) is much recommended to you to study. You can also get the e-book through the official web site, so you can more easily read the book.

#### **Dominique Rigney:**

As a university student, I exactly feel bored to be able to read. If their teacher questioned them to go to the library in order to make a summary for some e-book, they are complained. Just little students that have reading's heart or make it their hobby. They just do what the educator wants, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore, this Para uma ontologia do ser social 1 (Portuguese Edition) can make you feel more interested to read.
