## **The Complete Ocean Skipper** Tom Cunliffe

Building off of his bestselling *Complete Day Skipper* and *Complete Yachtmaster*, yachting legend Tom Cunliffe turns his attention to the third strand of the RYA syllabus. With the same hugely popular, highly practical approach, *Complete Ocean Skipper* covers everything a yachtsman needs to know when planning an offshore cruise or ocean passage.

All aspects of planning and preparing for--as well as setting out on--a long-distance cruise are featured:

Preparation: types of suitable boat, choice of rig, engine power, safety equipment, communication systems, crew preparation

On passage: ocean weather systems, forecasting, deck routines, watchkeeping, self-steering, emergencies, heavy weather techniques

Ocean navigation: electronic as well as celestial

A unique and definitive handbook, *Complete Ocean Skipper* goes beyond the theory of the RYA syllabus to ensure that readers are equipped with the knowledge of both what to do and how to do it. A veteran offshore yachtsman as well as an RYA examiner, Tom Cunliffe brings his experience to bear and packs this must-have guide with invaluable hands-on advice for offshore and coastal sailors alike.

With clear, helpful color photographs and diagrams throughout, this is the essential book for anyone planning for or dreaming about sailing farther afield.
