Ashley Orrick would protect her son at all costs. But escaping her all-powerful ex, whose infinite resources seemed almost impossible to elude, was one thing — shaking Victoria Colby-Camp and her exceptional agents was another.

Keith Devers had finally made the leap from analyst to investigator only to be presented with a conflict of interest. Something didn't add up about Ashley. Was it her long scarlet hair or emerald-green eyes...? More than that, it was her maternal ferocity that made Keith break all the rules. Because with this inheritance came a more costly price.

But fleeing from danger could only get them so far from the one thing they couldn't escape — runaway passions.
