The Tao of Philosophy (Alan Watts Love of Wisdom) Alan Watts

***The Tao of Philosophy* is a literary adaptation of talks selected to introduce the new "Love of Wisdom" series by Alan Watts to today's audiences.**

The following chapters provide rich examples of the way in which the philosophy of the Tao is as contemporary today as it was when it flourished in China thousands of years ago. Perhaps most significantly, these selections offer modern society a clearer understanding of what it will take for a successful reintegration of humans in nature.
