Transportation Planning: State and Metropolitan Planning Agencies Report Using Varied Methods to Consider Ecosystem Conservation U.S. General Accounting Office

GAO reported on (1) the extent to which transportation planners considered ecosystem conservation in planning, (2) the effects of such consideration, and (3) the factors that encourage or discourage such consideration. GAO contacted 36 planning agencies, as well as officials in 22 resource agencies that maintain ecological data and administer environmental laws. Their findings are detailed within this document.
