Flow: The Cultural Story of Menstruation

Elissa Stein, Susan Kim

Flow: The Cultural Story of Menstruation Elissa Stein, Susan Kim

In this hip, hilarious and truly eye-opening cultural history, menstruation is talked about as never before.

Flow spans its fascinating, occasionally wacky and sometimes downright scary story: from *mikvahs* (ritual cleansing baths) to menopause, hysteria to hysterectomies—not to mention the Pill, cramps, the history of underwear, and the movie about puberty they showed you in 5th grade.

Flow answers such questions as: What's the *point* of getting a period? What did women do before pads and tampons? What about new drugs that promise to end periods—a hot idea or not? Sex during your period: gross or a turn-on? And what's *normal*, anyway? With color reproductions of (campy) historical ads and early (excruciating) femcare devices, it also provides a fascinating (and mind-boggling) gallery of this complex, personal and uniquely female process.

As irreverent as it is informative, **Flow** gives an everyday occurrence its true props – and eradicates the stigma placed on it for centuries.

David Trudeau:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Flow: The Cultural Story of Menstruation can make you experience more interested to read.

Michael Madden:

What is your hobby? Have you heard in which question when you got pupils? We believe that that query was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And you know that little person just like reading or as studying become their hobby. You should know that reading is very important as well as book as to be the matter. Book is important thing to include you knowledge, except your own teacher or lecturer. You find good news or update about something by book. Amount types of books that can you choose to use be your object. One of them is this Flow: The Cultural Story of Menstruation.
