Imperium in Imperio (Modern Library Classics) Sutton Griggs

Self-published in 1899 and sold door-to-door by the author, this classic African-American novel—a gripping exploration of oppression, miscegenation, exploitation, and black empowerment—was a major bestseller in its day. The dramatic story of a conciliatory black man and a mulatto nationalist who grow up in a racist America and are driven to join a radical movement dedicated to the creation of an all-black nation in Texas, *Imperium in Imperio* had a profound influence on the development of black nationalism.

From the Trade Paperback edition.
