Echo Kelly has a secret only her diary knows about. But when her younger sister discovers her in an uncompromising position, she uses the information as blackmail, making her world a living hell. Her burden grows when she falls in love with her best friend who is all about money, which Echo doesn't have. After being rejected from her mother and first love, Echo goes away to find herself, resurfacing years later as a powerful drug boss with an insatiable sexual drive. Before long her BFF returns, married to a dangerous man with ulterior motives. Soon old feelings from the past bubble to the surface and Echo finds herself caught between two loves. One who is passive aggressive and the other who would do anything to maintain Echo's heart, including kill. Lipstick Dom is for ladies who love ladies and T. Styles' fans who appreciate a drama filled love story.
