Paris is the city of love? Not anymore... not since Jaime Sommers, the Bionic Woman, came to town hot on the trail of the Mission, a collection of insanely high-priced surgeons who've been murdering OSI's bionic prototypes in order to provide new life for billionaire patients. But while the Bionic Woman is hunting the Mission, their #1 hunter is after her! Can Jaime pick up the pieces of her past while protecting her life in the present, or will the city of love turn its back, and its bullets, on the Bionic Woman? Acclaimed writer Paul Tobin brings you a tale of baguettes, bullets, and bionic badass!

Kenneth Lambert:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore, this The Bionic Woman #1 can make you experience more interested to read.
