Of course the Quran is not a book of science. However, many scientific facts that are expressed in an extremely concise and profound manner in its verses have only been discovered with the technology of the 20th century. These facts could not have been known at the time of the Quran's revelation, and this is still more proof that the Quran is the word of God. In order to understand the scientific miracle of the Quran, we must first take a look at the level of science at the time when this holy book was revealed.
